

SDL Surveying

We're racing for Lionheart!

Find out all you need to know to join in!

Every year, SDL Surveying host a charity event to raise money for Lionheart.

We started in 2022 with **Route 66**, where teams from SDL Surveying and Countrywide raced each other to cover the distance of the famous Route 66 in America.

Last year SDL Surveying, Countrywide, eSurv, and Sava competed to cover the distance between Melbourne and Cairns in **The Surveyor Bushtucker Trail**.

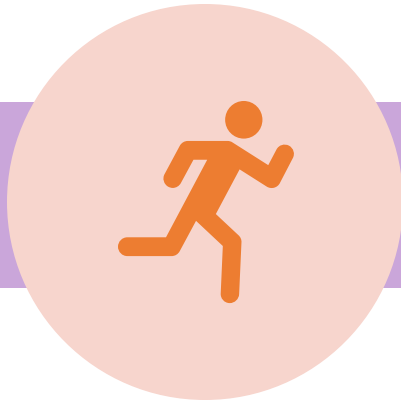

This year, for Lionheart's 125th Anniversary,
we're inviting you to take part in the
125th Anniversary Challenge!

What is the challenge?

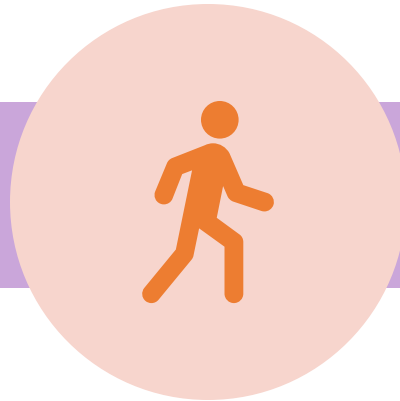

Register a team of 3, and choose to either:

RUN

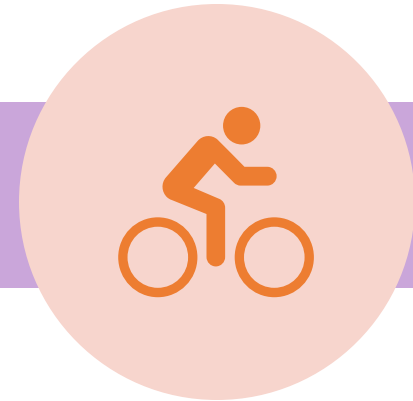

125 **MILES**
as a team

WALK

125 **KMs**
as a team

or **CYCLE**

125 **MILES**
per team member

while raising at least £125 throughout June.

Who can take part?

- **Anyone!** As long as one person on the team has a connection to the surveying industry, you can register your team.

If you're a sole trader, you're free to include family members and friends (even members of your local running club if you'd like!) to form a team of 3, or team up with other sole traders!

- You can be part of/register multiple teams, but each team can only perform one type of activity

What do I have to do once I've joined?

- Track your distances as a team through the **Strava app**
- Each **Thursday**, submit your current km/mile total to a Typeform with a screenshot off the Strava team page so we can update the league table (contact to be confirmed closer to June)
- **Raise £125** as a team for Lionheart! (If you're part of multiple teams, each one will have to raise £125.)
- If you are part of a cycling team, **please don't use electrically assisted bikes** unless this is an accessibility requirement.

How do I register a team?

Scan the QR code or click the link, and you will be taken to our registration form.

There you can provide us with your **team name and members**, the best **contact email**, **what activity your team will be doing**, and **which company you'll be representing**.

Click here!

How do I keep track of my team's total distance?

For our challenges we utilise the free app **Strava**.

Strava will only track when you set it to, which means there's no converting steps through the day.

Download the instructions on how to join the Strava challenge by clicking the button or scanning the QR code!

Click here!

How do I keep track of donations?

Lionheart is a supported charity through **JustGiving**! We'll be setting up a **Team page** closer to June, where multiple teams can connect their individual JustGiving pages. This way, your friends and family can donate knowing it will be

To see how this process works, click the button or scan the QR code. (You will need to read Option 2)

How does my team win?

This year, not only will we be celebrating the first team to reach the target, but three other categories as well!

1. First Team in each Category to reach 125 miles/km

3 Winners

2. Team in each category with most overall km/miles

3 Winners

3. Most money raised

1 Winner

4. Best social media video

1 Winner

We'll announce the winners of each category at the beginning of July, keeping the total distances on our weekly league table blind into the very end.
